

the THORNTON EXPRESS

NOVEMBER 1, 2010

Mathematics

Vocabulary : difference and minus

Relating addition to subtraction

Patterns such as AAB, AABBCD using stamps

Fact families to 18

Technology

The children wrote creative stories about Frog and Toad and Henry and Mudge. They used the Kidspiration program to mind map ideas for their story selections. We are displaying them in the hall as they finish. Make sure you stop by and check them out!

LANGUAGE ARTS LAST WEEK

- Story - Wilson Sat Alone
- vocabulary, ABC order
- realistic fiction
- compound words
- synonyms
- creating and writing realistic fiction
- multiple intelligence projects used with Wilson Sat Alone - some examples are: puppets, sculptures of the main characters and board games

We had a super Octoberfest Enrichment. Ask your child about the fun activities. :)

Science

Life processes - adaptations: camouflage, hibernation

Habitat projects were awesome!

Social Studies

Natural, Capital and Human Resources

Continents and oceans
