

Deep Run High School Safety Hotline

Students, Staff, and Parents:

At Deep Run High School, student safety is our priority. In order to facilitate a safe and effective learning environment, we understand that we must have the cooperation and assistance of our community. Sometimes, this can be a difficult decision. However, letting school personnel know when something is wrong—whether it be criminal behavior, violations of the Code of Conduct that endanger others, or simply concerns about student or staff behavior that need to be shared—is vital to maintaining a secure school.
