

Senior Privileges Contract

The following Senior Privileges will be granted to the class of 2009. Privileges are just that—they are not rights and are not guaranteed. They are granted by the administration in recognition of your outstanding work and your transition from student to adulthood. However, Seniors must accept responsibility for these privileges and act accordingly. Failure to demonstrate appropriate responsibility with regards to these privileges may lead to the revocation of these privileges, either for a period of time or indefinitely. The privileges agreed upon include:

Senior Courtyard. The courtyard area will be reserved for use by Seniors exclusively during lunch, before school, and after school. This use is to be self-policed. Seniors must maintain the courtyard (keep it clean and free of debris) and should not expect that the administration will monitor who is using the courtyard. Seniors must not use threats, harassment, etc. to keep others out of the courtyard but should seek assistance when needed.

Senior Exam Exemption. Seniors are eligible for exam exemptions based on the guidelines posted in classrooms.

Senior Parking. All Seniors who request parking will be granted a parking spot, so long as space is available. Seniors will also have a reserved parking area (first come, first serve).

Senior Lounge. The Senior Lounge is available for use only by Seniors before school, after school, and during lunches. The lounge area may not be used during Study Halls. Please note that the use of the lounge, like the courtyard, is self-policed. The area must remain clean. Other requirements include: the area must remain calm (low noise levels) and cannot be overcrowded, as this may pose several hazards.

10 Minute Friday Dismissal. Seniors will be allowed to leave 10 minutes early on Fridays. Please note that this is at the discretion of the teacher. Should the teacher wish for the Senior to remain in class (e.g., instruction is ongoing), the Senior must remain. Seniors who leave early must exit the school and the parking lot immediately and with proper decorum (quietly, heeding parking lot regulations).

Halloween. Only Seniors will be allowed to be in costume for Halloween (however, masks are not appropriate).

Study Hall. Seniors with Study Hall at 6th or 7th block will be allowed to leave early. They must complete the permission form to be distributed. (Students with 1st or 2nd block study halls must report to school on time.) This privilege will begin on Monday, September 15, 2008 to those students who have been issued a permanent early dismissal pass from Mrs. Kish.

Senior Breakfast. Seniors will be allowed to have a class “pot-luck” breakfast every third Friday of each month (weather permitting) near the entrance of the stadium from 8:00 a.m. to 8:30 a.m. Same rules apply to clean-up responsibilities. Dates are as follows: September 19, October 17, November 21, December 19, January 16, February 20, March 20, April 17, and May 15.
