

PARENT INFORMATIONAL SESSIONS

Henrico County Public Schools

Northwest Evaluation Association (NWEA) and Measures of Academic Progress (MAP) Assessments

Highland Springs HS students will take MAPS assessments in Reading and Mathematics in the fall and again in the spring. These informational sessions will answer questions such as:

- What is the Measure of Academic Progress assessment?
- How long does it take to complete a test?
- When will my child be tested and how often?
- Do all students in the same grade take the same test?
- What are NWEA assessments used for?
- How do teachers use the test results?

Parents and any other interested parties are invited to attend one of the following sessions designed to introduce and discuss MAP testing. Feel free to bring a copy of your child's Fall 2011 MAP report and your fully charged laptop. You will have the opportunity to log on to the NWEA website to view all of the available resources.
