

Watch D.O.G.S. (Dads of Great Students) is an initiative that asks Dads to volunteer for one day during the school year to help patrol the grounds and halls to help the school stay safe. While serving the school for a day, Dads (Dads, Stepdads, Granddads, Uncles, Coaches, Family Friends, and positive male role models) are given a walkie-talkie to report anything they see. They are also given a schedule that has them spend time with their Hawk in classes, experience what their day is like, and see what amazing things are going on at Pocahontas every day.

We understand the power of “Dads” and what a great impact Dads have on our school community. We also understand that Dads are often excluded from the school setting. Watch DOGS is a great way for Dads to show they care while keeping the school safe and making a great and lasting memory with their child.

If you are interested in serving the school as a Watch DOG, again, we only ask for one day the whole school year, please click the “Sign Up” button or contact Brian Kieran (bpkieran@henrico.k12.va.us).
