

Health Services

The clinic is located on 200 Hall, Room 203. The school nurse, Dawn Graves, is on duty during the school hours. All medications (over-the-counter and prescribed) must be administered in the clinic by the clinic staff. Over-the-counter medications will be distributed with written parental permission. A written physicians note is required to dispense prescription medications. Medication request forms may be obtained from the school nurse. All medications must be kept in the clinic in their original containers. Students going to the clinic must have a pass from their teacher.
