## Who?

Parents of all incoming 6th grade students and any 7th & 8th grade transfer (new to HCPS) students.

## Why?

All students **MUST** have at least one parent/guardian attend a training session before the student can receive an iBook. **Note: Parents who have already attended a training session for an older sibling or who teach in HCPS do not need to attend**

## When?

On the right, you will see a list of all of the training sessions that are being given at various middle schools. You can attend a session at your school or at another nearby school. **If you go to a school other than your own, you must notify the trainer at that school so your child's school can be notified.**
